

KATO MINI DIORAMA CIRCUS

Come join the *Mini Diorama Circus* at **MODEL RAIL SCOTLAND**

The KATO Mini Diorama Circus is the ideal way for modellers young and old to create miniature modules with whatever theme they want. Bring your module to Model Rail Scotland. Register and upload photos with the app – you don't have to be at the show to share your creation with others. If you are coming to Glasgow, bring your module to the Kato booth (but if you can, please register and upload your photos before you arrive).

What's CIRCUS?

An app for participating in Glasgow events will be available shortly. Please check the website for the latest information.
