ORDERING INFORMATION & TERMS

January 2019

Dear Atlas Authorized Dealers and Distributors,

Happy New Year & Welcome to the January 2019 Atlas ASMC dealer/distributor edition of product Announcements and Arrivals. This All Scales Monthly Catalog (ASMC) is the core of our guaranteed pre-order system. Prior to the start of supplier production, Atlas announces to authorized dealers, distributors and e-subscribers that we are ready to take orders. This notification comes in the form of the ASMC which focuses in on the current month's planned and specified announcements and allows dealers and distributors to place guaranteed pre-orders for those specific products by a given date.

Again this month, dealers and distributors will be receiving a Consumer (MSRP only) Edition of the ASMC that can be displayed for customers, as well as an "Official Pricing and Ordering" Edition that is confidential, with quantity discount pricing order forms. This allows you to display the Consumer Edition while keeping the other for your ordering purposes. You can also view and reserve monthly releases, in stock products, track & accessories via our online store, shop.atlasrr.com. Atlas authorized dealers and distributors are also encouraged to distribute copies of the Consumer Edition to their own proprietary consumer lists—both physical and electronic—to help promote awareness of these new product announcements and arrivals.

We're ringing in the New Year by announcing more brand new models in N scale 4180 Airslide Hoppers and 48' Bulkhead Flat Cars, along with new paint schemes on our N scale PS-4427 Hoppers. HO modelers will delight in New Paint Schemes and returning favorites on the C424/425 Locomotive, as well as 23,500 Gallon Tank Cars and 89' Flat Cars. In O scale, we're going to have 2 and 3 Railers alike all "hopped up" with excitement at our latest Trinity 5161 Hoppers with a new lower price and a new run of fantastic paint schemes on the 36' Wood Reefers and 1937 Box Cars - you'll find all of those wonderful models and more inside, as well as arriving locomotives, rolling stock and track in all scales.

We hope that you and your customers enjoy the product selections on the pages within, and as always, thank you for your continued support of Atlas!

Sincerely,
Joe Kolnoski
Vice President of Sales
